Well done all yesterday a fine result from what turned out to be a chilly afternoons work.

The wind had a raw edge to it, but it didn't stop us coming away with a 4 rink victory (85 - 70 shots)

Started off slowly with anybody's game & evenly balanced up to the break when Begbrook knuckled down & toughed it out to the end.

Commiserations to the losing rink but I was told you still had a good match. Very little damage to the green so it's good that most people are delivering low & correctly although with more rain due the protection mats may have to used Good to see many of you socialising with a great group of players that have promised us a warm welcome when we visit later in the year & do the double. Many thanks to our 2 players standing in at short notice to make up the Nailsworth team hope you enjoyed yourselves.

Tks again Mo Fagan
