

Friendly Match April 30th

Versus Knowle

Well there was a bowls match if I've ever played one, 5 rinks on a fine afternoon if somewhat hot at the end(hope you all stayed well hydrated,so important on hot days)

Cracking close result with Begbrook edging them out 79 - 73. well done rink 5 a convincing win giving us the match & unlucky on 1 with a mid term fight back but fading on the back 9. the other 3 were all close with rink 3 snatching a draw from the jaws of victory dropping 9 in 3 ends.

There is a theme running here of fading in the final ends a habit we must get out of.

A match too with a number of bowlers seasoned & newer playing in unfamiliar positions.

Our hosts did us proud after a straight through 18 ends & some good socialising after the match. A few players had to rush back to Begbrook for the evening match hope you all enjoyed it.

Well done all we'll make it the double later in the season

Rink 1 12 - 21

2 15 - 15

3 16 - 16

4 11 - 15

5 25 - 6

Regards MO F
