

Social Distance

The playing arrangements are in accordance with advice from the government and Bowls England.

- Individuals may play bowls on their own on a single rink
- Two individuals from two different households may play on a single rink (no marker)
- Members of the same household may play on a single rink

There will be a maximum of six players permitted on the club premises at any one time.

No visitors or spectators are allowed.

Social distancing rules must be adhered to at all times; you must remain at least two metres apart from other bowlers (who are not part of your household) at all times.

You should travel to and from the green by yourself. Do not give lifts to persons with whom you have not been isolating.

You should arrive at the booked time to avoid overlap with the previous players. You should play for no more than 1½hrs. You should sanitise the equipment and lock up after use. You should leave immediately afterwards. You should not wait to meet new arrivals.

Do not go to the club if you are experiencing any coronavirus (COVID-19) symptoms or any cold or flu-like symptoms, in particular a cough or a high temperature. Use the NHS 111 website or helpline and seek advice.
